

## Scrum Meeting Nov. 15

### Mary

#### **What did you do yesterday?**

- Worked on payments screen, figured out how the data structure in the db should look

#### **What will you be doing today?**

- Create tables for chores, payments, and groceries
- Display grocery list nicely

#### **Are there any impediments in your way?**

- Cards are stuck in lists

### Andy

#### **What did you do yesterday?**

- Continued working on grocery list
- Worked on delete button
- Add button

#### **What will you be doing today?**

- Finish delete
- Display grocery list nicely (cards)

#### **Are there any impediments in your way?**

- Learn all the properties of list items

### Ben

#### **What did you do yesterday?**

- Worked on the notification systems

#### **What will you be doing today?**

- Worked on the notification systems

#### **Are there any impediments in your way?**

- No time

### Keith

#### **What did you do yesterday?**

- Worked on the notification systems

#### **What will you be doing today?**

- Work on the notification systems

**Are there any impediments in your way?**

- Can't get pop up notification (do you want to allow notification) to show up
